

2020-2021 Membership Application

The Amador Child Care Council (ACCC) is comprised of 10 volunteer members representing consumers, service providers, public agencies and other community representatives. Our mission is to *partner with the community to promote the early care and education of children*. We accomplish this mission through careful assessments of community needs, identifying and recommending child care priorities, and collaborating and advocating to meet those needs. Two of our current goals are that:

- The public and government officials will be more aware of the issues and take action to improve early care and education.
- The process to establish center-based early care and education facilities will be simplified.

The Amador Child Care Council is seeking people who are passionate about ensuring safe, affordable, quality child care and education options are available locally; people who can commit a minimum of four hours of service per month, with opportunities to contribute more hours throughout the year working on special projects.

People with a strong personal commitment to the community and knowledge in community development, advocacy, early care and education, employment and business, or policy development are encouraged to apply to serve as one of the members of the Council that will guide the Council's activities.

Please submit the completed application to:

Donna Custodio

Director of Amador State Preschools & Local Child Care Planning Council Coordinator

217 Rex Avenue

Jackson, CA 95640
